

THE MASTER CODER

**The Hidden Dynamics that
Shape Individuals,
Design Organizations,
and Transform Societies**

THE MASTER CODE

- **uncovers the deepest human motives and priorities, in individuals and groups**
- **constructs adaptive intelligences for different Life Conditions to solve problems at multiple levels**
- **tracks the deep change codes to monitor and facilitate large-scale systems transformation**

THE MASTER CODE

- spins spider-type webs to connect what matters most to design what works best
- meshes global with local, left and right brain thinking, and sacred and secular patterns to advance human emergence
- impacts economics, geopolitics, religion and spirituality, community development, education and health care

THE MASTER CODE

“I call my point of view the Emergent, Cyclical, Double-Helix Model of Adult Biopsychosocial Systems Development.”

Dr. Clare W. Graves
